### Agenda:

- sMS4 permit – comments from NM ISC (with NMED attorneys Annie Maxfield and Chris Atencio)
- LANL IP and MS4 Designation – are you still planning to issue in February, and did we need to have a discussion on the IP?
- NM History Museum – we were wondering about a status update on this permit. We were contacted last week by a new consultant (hired by the Museum) who was needing more information about sampling.
- ABQ MS4 – monitoring plan needs discussion.
